

X-TEND™ Tracker Bar Extension

\$36.99

17-3000

X-TEND™ tracker bar extension, for tracker bars with a 3/4" diameter

\$36.99

17-3001

X-TEND™ tracker bar extension, for tracker bars with a 1" diameter

Prevents damage from cables banging up against the back of the cab by extending them out and away from the back of the tractor

- Extends the tracker spring kit and cables out an additional 8 inches from the tracker bar
- Prevents spiral wrapped assemblies from banging up against the back of the cab and causing damage
- Avoid costs to repair damage at the back of the cab and increase the tractor's resale value
- Easy to Install. Snaps on. No hardware!
- Available for either 3/4" or 1" diameter tracker bars
- Stainless steel metal tubing and eye hook
- Non-corrosive nylon mounting and support brackets

Pre-Cut Spiral Wrap

For one time do-it-yourself installations

\$20.65

5-523

1 3/8" ID, 8' length

\$24.33

5-524

1 3/8" ID, 10' length

- Organize and protect your air and electrical assemblies!
- UV and abrasion resistant, and unaffected by most solvents
- Operating temperature range: -40°F to 280°F (-40°C to 137°C)

Mini Pre-Cut Spiral Wrap ("Minis")

For one time QUICK and EASY do-it-yourself installations/replacement

\$2.50

5-522 1 3/8" ID, 2.5" , 3 qty

- Easy maintenance - avoid time consuming removal and replacement of traditional spiral wrap when replacing or repairing cables
- Alternative to cable ties - replaces cable ties which have the potential to damage rubber air lines as they contract and expand during braking
- Easily store a few extra on board
- UV and abrasion resistant, and unaffected by most solvents
- Operating temperature range: -40°F to 280°F (-40°C to 137°C)

Promo valid Nov 1 thru Dec 31, 2018
